A Message from the State DAE Chair

October was a great month for the New York State DAE Programs. I heard from many of you and I was very happy to assist you. There are a lot of enthusiastic chairs out there that are really working the program. Keep up the good work!! Everyone should have a plan in place for your DAE Lodge and District events.

I have had many requests for literature and I try to order it within 48 hours of receiving the request. The exception would be if Grand Lodge is out of something as they were out of bookmarks for 2 weeks. The quantities on bookmarks have changed to 250 per box so, if you need 600, you don't have to order 1,000, you can order 750. Hopefully this change will save Grand Lodge some money and prevent excess stock from lying around unused. Keep up the good work and remember not only should we educate our communities, we should educate ourselves along the way.

Due to the Holidays, this will be a November/December issue and I will try to resume publications in January.

Thank you. Kathleen

Do You Have Input??

If you have anything you would like to share with the DAE Chairs of New York State, feel free to e-mail it to me.

Events, programs, ideas, questions... anything goes!! This should be where we connect to improve our programs and share our successes.

***Thanks to all of you. Kathleen

Poster Essay Contest

In the October Issue of the NYSEA DAE Newsletter I included the New York State Elks Poster/Essay Contest Guidelines. There has been some confusion because the Grand Lodge Contest is different. Let me try to clear it up. NYSEA awards \$4,500 in Savings Bonds, 3 prizes for each of 5 Groups. Grand Lodge awards 1 \$500 Bond for the Poster Contest and 1 \$500 Bond for the Essay Contest nationwide. Each State can only send 1 Poster winner and 1 Essay winner to Grand Lodge. Grand Lodge will only accept 8 ½ x 11 Posters as they use the winners for the pages of the Coloring Books. The National Winner is used for the cover of the Coloring Book. Therefore if the State Poster winners are larger than 8 ½ x 11 it will not be forwarded to Grand Lodge instead an 8 ½ x 11 winner will be chosen to be sent on to Grand Lodge. State poster winners will be chosen based on State Guidelines and Grand Lodge winners will be chosen based on Grand Lodge Guidelines. There has been discussion regarding making changes to the State Guidelines but after much consideration we will keep the guidelines as they are. Remember, District winners must be to me by March 15, 2012. I must have them judged and the winners to Grand Lodge by April 1st. Also, ALL Poster and Essay submissions must have the "Hold Harmless Waiver" and the student information label completed and attached to the entry or they will not be judged. You will find these forms in this Newsletter.

I received this story in an e-mail and thought it should be passed along. Some of us are too young to have been drugged like this but I remember my parents telling stories...

The other day, someone at a store in our town read that a Methamphetamine lab had been found in an old farmhouse in the adjoining county and he asked me a rhetorical question, "Why didn't we have a drug problem when you and I were growing up?"

I replied, I had a drug problem when I was young: I was drug to church on Sunday morning. I was drug to church for weddings and funerals. I was drug to family reunions and community socials no matter the weather.

I was drug by my ears when I was disrespectful to adults. I was also drug to the woodshed when I disobeyed my parents, told a lie, brought home a bad report card, did not speak with respect, spoke ill of the teacher or the preacher, or if I didn't put forth my best effort in everything that was asked of me.

I was drug to the kitchen sink to have my mouth washed out with soap if I uttered a profanity. I was drug out to pull weeds in mom's garden and flowerbeds and cockleburs out of dad's fields. I was drug to the homes of family, friends and neighbors to help out some poor soul who had no one to mow the yard, repair the clothesline, or chop some firewood, and, if my mother had even known that I took a single dime as a tip for this kindness, she would have drug me back to the woodshed.

Those drugs are still in my veins and they affect my behavior in everything I do, say or think. They are stronger than cocaine, crack, or heroin; and, if today's children had this kind of drug problem, America would be a better place.

God bless the parents who drugged us.

Please, don't be discouraged.

As with any committee, project, event... there are those that don't always share our enthusiasm. Perhaps as a District Chair, your Lodges do not respond to your requests, or as a Lodge Chair, the members aren't as excited as you are about an event. As a State Chair, sometimes, I feel as though I am wasting my time, my words are falling on deaf ears. Please try to look at the positive, the ones that work the programs and do their jobs.

When I was appointed my District DAE Chair, I had enthusiasm and drive. I sent a letter to all 10 of my Lodge Chairs in hopes of getting them all together for a DAE meeting to brainstorm and discuss our programs. I sent a questionnaire in hopes of gathering information to prepare an agenda for the meeting. I was even going to cook lunch for everyone. Of the 10 Lodges, I received only 3 responses, 2 were unavailable for the meeting and the other chair actually wrote on the questionnaire that they were DAE Chair "in name only and have no program plans". Yes, I was disappointed, but certainly not discouraged. I still hand out information and work the programs. Over the years, the Lodge Chairs have change and there are still those that I wish would do more, but I am thankful for the enthusiastic chairs.

Stay positive and be proud that you are a part of the hardest working program in Elkdom.

Have a safe and happy Holiday Season!

Kathleen
